

FOR PROTECTION AGAINST WINTER GERMS DON'T JUST RUG UP, LATHER UP

Experts agree that hand washing is one of the easiest and most important ways to help protect you and your family from the spread of germs. Palmolive Antibacterial hand wash is specially formulated to wash away germs, helping to keep your family's hands clean and healthy this winter.

Visit www.palmolive.com.au for more information.

HERBAL LINK

A combination of fruit, vegetable, herbs and traditional healing oils are all blended together to form a beautiful skincare range that is safe for both mother and baby. All packs that are bought in the months of August and September 2009 will automatically receive a free anti-ageing cream.

For more information, visit www.herbalink.com.au.

VAALIA YOGHURTS

Register for the Vaalia Two-Week Trial and prove to yourself that you can feel better on the inside.

For more information on the trial, or for terms and conditions, visit www.vaalia.com.au.

OLIVE LEAF EXTRACT

Olive leaf extract is now one of Australia's most sought-after health supplements. Its amazing healing properties have made it one of the world's longest-lasting natural tonics – over 4,000 years!

Visit www.olea.com.au for more information, or call 1300 653 436.

MAYBE BABY

To help pinpoint the days that you're most likely to conceive, Maybe Baby™ is a simple, accurate and non-invasive ovulation predictor.

Unlike many ovulation kits, Maybe Baby can be reused until you get your good news, so it's very cost-effective.

For more information visit www.maybebaby.com.au or call 1800 788 870.

COLGATE TOTAL

Think all toothpastes are the same? Think again! Using the right toothpaste can make a world of difference to your oral health, which is important for your overall health. Colgate Total is the only toothpaste clinically proven to provide effective and superior 12-hour protection against bacterial plaque for healthy teeth AND gums.

Always read the label. Use only as directed. ASMI16680-0609.

UNCLE TOBYS OATS

Look after your heart health this winter with a steaming bowl of Uncle Tobys Oats. They not only warm you up on those chilly mornings, but also provide you with a natural way to lower your cholesterol reabsorption. They really are nature's 'supergrain'!
